PLEASE READ THIS INFORMATION CAREFULLY. FAILURE TO FOLLOW INSTRUCTIONS WILL RESULT IN A DELAY IN PROCESSING YOUR IMMIGRATION DOCUMENT.

If you need an I-20, the University of Michigan School of Public Health is required by U.S. government regulations to obtain documentation proving that you have adequate financial resources to provide for your expenses and the expenses of your dependents for the duration of your program. Therefore, you are required to certify the availability of sufficient funds in the form of bank statements and/or proof of support from a sponsor. Page two contains a list of estimated minimum expenses. A MPH/MHSA/MHI degree is a 2-year degree program. This form is for year one, students will need funding for both years. Expenses for the second year will increase approximately 5-10%.

Should your source of funding become unavailable, the University of Michigan School of Public Health is not responsible for lack of funds due to a sponsor(s) inability to provide support, which could jeopardize a student’s visa status.

Requirements for Documentation of Funds

1) An official and original dated bank statement must be provided.
2) All accounts must be easily accessible and liquid assets.
3) Photocopies, scanned, faxed documents or electronic attachments are NOT acceptable.
4) All documents must be in English. Otherwise, an official English translation must accompany the original.
5) All supporting documentation must be dated within one year.
6) Letters of sponsorship must include exact dollar amount of support (in US dollars) and dates of sponsorship.

The following means of support may be included to meet the Total Estimated Expenses for one year of study:

Personal funds from student
