

# FLINT FORGOTTEN COMMUNITY EPIDEMICS HAITI

SEPT. 15-17 SCHOOL OF PUBLIC HEALTH  
ANN ARBOR, MI

## JOIN US FOR THE 1<sup>ST</sup> ANNUAL MELVA HARDY MEMORIAL SCHOLARSHIP LUNCHEON

**FRIDAY, SEPTEMBER 15 • 12:00 PM**

The Melva Hardy Memorial Scholarship was established to honor the memory of **MELVA FRANCINE HARDY**. Graduating from the University of Michigan School of Public Health in 2000 with a Masters of Health Services Administration, Ms. Hardy embodied the drive, excellence, and compassion that merit recognition as an outstanding alumna. Melva was a Summer Enrichment Program (UM SEP) participant in 1997 and served as the President of the Public Health Students of African Descent (PHSAD) during her time at UMSPH. Melva established herself as an academic health career leader and entrepreneur with the concierge medical firm ImagineMD. This scholarship award was established to ensure Ms. Hardy's legacy lives on at UMSPH through a deserving student possessing her qualities.

This **HEALTH EQUITY IN ACTION** forum will present a reminding connection between the 2014 Flint Water Crisis and the 2010 Haiti Earthquake. These two widely-known public health crises spurred instant social media coverage, created lesser known health epidemics, and now provide lessons for all of us towards building sustainable Equity In Action.
