

CURRICULUM VITAE

HAL MORGENSTERN, Ph.D.

Department of Epidemiology
School of Public Health
University of Michigan
1415 Washington Heights
Ann Arbor, MI 48109-2029

Phone: (734) 764-5214
Fax: (734) 936-2084
E-mail: halm@umich.edu

Born: May 19, 1946, Port Jervis, NY 12771

EDUCATION

- 1974-78 University of North Carolina at Chapel Hill, Department of Epidemiology. Ph.D., 1978.
University of Minnesota at Minneapolis, Graduate Summer Session in Epidemiology, 1975.
- 1972-74 University of North Carolina at Chapel Hill, Department of City and Regional Planning. M.R.P., 1974.
- 1964-69 Massachusetts Institute of Technology, Department of Architecture. B.Arch. (5-year professional degree), 1969. Wellesley College, courses required for state teacher certification in high-school mathematics, 1968-69.

HONORS & AWARDS

- 2009 Annual Reuel A. Stallones Lecturer. University of Texas, School of Public Health.
- 2003 Herman A. Tyroler Distinguished Alumni Award. University of North Carolina at Chapel Hill, School of Public Health, Department of Epidemiology.
- 1999 Distinguished Professor of the Year. UCLA School of Public Health, Department of Epidemiology.
- 1997 Outstanding Mentor Award. UCLA School of Public Health, Diversity Enrichment Program.
- 1988-89 Faculty of the Year. UCLA School of Public Health, Health Careers Opportunity Program.
- 1986-pr Delta Omega member. National Honorary Public Health Society, UCLA Chapter.
- 1985 Distinguished Teaching Award. Department of Epidemiology and Public Health, Yale University School of Medicine.
- 1977-78 U.S. Public Health Service. General Purpose Traineeship, School of Public Health, University of North Carolina at Chapel Hill.
- 1976 Delta Omega Service Award. School of Public Health, University of North Carolina at Chapel Hill.

- 1975-77 National Heart, Lung and Blood Institute. Cardiovascular Epidemiology and Statistics Traineeship, University of North Carolina at Chapel Hill.
- 1974-75 National Institute on Alcohol Abuse and Alcoholism. Epidemiology Traineeship, University of North Carolina at Chapel Hill.
- 1973-74 National Institute of Mental Health. Social Policy Traineeship, University of North Carolina at Chapel Hill.
- 1972-73 Mellon Foundation. City and Regional Planning Assistantship, University of North Carolina at Chapel Hill.

EMPLOYMENT

- 2013-pr Professor. Department of Urology, Medical School, University of Michigan, Ann Arbor.
- 2007-pr Professor. Department of Environmental Health Sciences, School of Public Health, University of Michigan, Ann Arbor.
- 2004-pr Director of Graduate Summer Session in Epidemiology, University of Michigan School of Public Health. Instructor of “Epidemiology and Health Policy” and “Intermediate Epidemiologic Methods.”
- 2003-08 Chair. Department of Epidemiology, School of Public Health, University of Michigan, Ann Arbor.
- 2003-pr Professor. Department of Epidemiology, School of Public Health, University of Michigan, Ann Arbor.
- 2001-03 Vice Chair. Department of Epidemiology, School of Public Health, University of California, Los Angeles.
- 2000 Interim Associate Dean for Academic Programs. School of Public Health, University of California, Los Angeles.
- 1997-pr Adjunct Professor of Research. Division of Research, Southern California University of Health Sciences.
- 1991-04 Professor. Department of Epidemiology, School of Public Health, University of California, Los Angeles.
- 1986 Visiting Lecturer in Epidemiology. Department of Community and Environmental Medicine, California College of Medicine, University of California, Irvine.
- 1985-91 Associate Professor of Epidemiology. Department of Epidemiology, School of Public Health, University of California, Los Angeles.
- 1983-85 Instructor of “Applications of Epidemiology to Health Services.” New England Epidemiology Institute Summer Program, University of Massachusetts at Amherst.
- 1983-85 Associate Professor of Epidemiology and Public Health. Department of Epidemiology and Public Health, Yale University School of Medicine.

- 1980-85 Director of the M.P.H. Training Program in Epidemiology and Health Services. Department of Epidemiology and Public Health, Yale University School of Medicine.
- 1978-83 Assistant Professor of Epidemiology. Department of Epidemiology and Public Health and Institution of Social and Policy Studies, Yale University.
- 1975-78 Research and Teaching Assistant. Department of Epidemiology, University of North Carolina at Chapel Hill.
- 1974 Health Research Consultant. North Carolina Chiropractic Association, Raleigh, NC.
- 1973 Planning Consultant. Winston-Salem, North Carolina Police Department and Center for Urban and Regional Studies, University of North Carolina at Chapel Hill.
- 1972-73 Research Assistant. Department of City and Regional Planning, University of North Carolina at Chapel Hill.
- 1972 Architectural Coordinator. Dunkin' Donuts, Inc., Randolph, MA.
- 1969-72 Social Worker. Somerville Youth Program, Somerville, MA. Area Director, 1971-72. Part-time group-worker and community organizer, 1969-71. Organizer and counselor for a telephone information and counseling service, 1971-72.
- 1969-70 High School Mathematics Teacher. Student teacher at Wellesley High School, 1969. Substitute teacher at Waltham High School, 1970.
- 1969-70 Architect. Drummey, Rosane, Anderson, Inc., Newton Lower Falls, MA.

AFFILIATIONS

Professional Societies

- 1976-pr Member, Society for Epidemiologic Research. Reviewed abstracts for the annual meeting, 1989-91; reviewed papers for the Lilienfeld Student Prize, 2007, 2008, 2010.
- 1979-pr Member, American Public Health Association. Epidemiology Section Program Committee, 1985-90.
- 1988-pr Member, International Epidemiological Association. Organizing Committee for 1990 Meeting.
- 1996-pr Member, American Statistical Association.
- 2001-08 Member, North American Spine Society.

Editorial Boards

- 1990-99 Associate Editor, *American Journal of Epidemiology*.
- 1993-96 Member, Editorial Board, *Latino Health Review*. Latino Medical Protocol Program, California Border Health Education Training Center, University of California, San Francisco.
- 1995-03 Ad Hoc Statistical Reviewer, *Archives of General Psychiatry*.

- 1996-pr Member, Editorial Board, *Journal of Immigrant and Minority Health*.
- 1998-03 Member, Editorial Board and Consulting Editor, *Journal of Clinical and Experimental Neuropsychology*.
- 2000-pr Member, Editorial Board and Associate Editor, *The Spine Journal*.
- 2007-12 Member, Editorial Board and Associate Editor, *Epidemiology*. Reviewed finalists for the Rothman Prize, 2007-12.

UCLA Centers (1985-2003)

- 1986-03 Member, Center for Occupational and Environmental Health, UCLA School of Public Health.
- 1989-93 Member, Executive Committee, Southern California Injury Prevention Research Center, UCLA School of Public Health.
- 1993-03 Senior Faculty Associate, UCLA Center on Aging.
- 1995-03 Member, Faculty Advisory Committee, UCLA Center for Health Policy Research, School of Public Health and School of Public Policy and Social Research.
- 1996-03 Director of Epidemiology, General Clinical Research Center, UCLA.
- 2001-03 Member, Jonsson Comprehensive Cancer Center, UCLA.

UCLA Training Programs (1985-2003)

- 1988-03 Member, Research Advisory Committee and Selection Committee and Research Advisor, Robert Wood Johnson Clinical Scholars Program, UCLA School of Medicine.
- 1989-03 Member, Advisory Committee, AIDS Research Training Program, Department of Sociology, UCLA.
- 1992-03 Member, Admissions Committee, UCLA/RAND Health Services Research Training Program, Department of Health Services, UCLA School of Public Health.
- 1993-98 Member, Research Advisory Committee, Training Physician Researchers in Primary Care, UCLA School of Medicine.
- 1996-98 Member, Candidate Study Section Committee, Specialty Training and Advanced Research (STAR) Program, UCLA School of Medicine.
- 2002-03 Key mentor, Associated Health Professions Postdoctoral Health Services Research and Development Fellowship Program, VA Greater Los Angeles Healthcare System.

University of Michigan (2003-present)

- 2004-05 Member, Advisory Council, Centers for Disease Control and Prevention and Association of Schools of Public Health project to develop an “Academic Health Department” in Michigan.

- 2004-pr Member, Core Faculty, Center for Social Epidemiology and Population Health, University of Michigan School of Public Health.
- 2004-pr Member, Comprehensive Cancer Center, Biomedical Prevention Program, University of Michigan Health System.
- 2005-09 Member, University of Michigan Integrative Medicine Research Council.
- 2005-pr Member, Mentor Steering Committee, Urology Clinical Training Program, School of Medicine (T-32 training grant from NIDDK; John Wei, PI).
- 2005-10 Member, Executive Committee, Pediatric Health Services Research Training Program, School of Medicine (T-32 training grant from NICHD; Gary Freed, PI).
- 2005-13 Member, Advisory Committee (2005-08) and Mentor, Multidisciplinary Clinical Researchers in Training Program (MCRiT; T-32 training grant from NIH; Thomas Shanley, PI).
- 2006-09 Member, Advisory Committee, Preventive Medicine Residency Program, School of Public Health (Matthew Boulton, Director).
- 2006-11 Member, Steering Committee, Biostatistics Training in Research in Biosciences (T-32 training grant from NIGMS/NIH; Alex Tsodikov, PI).
- 2006-12 Member, Executive and Internal Advisory Committees, and Mentor, Cancer Epidemiology Education in Special Populations (R25 training grant from NIH; Amr Soliman, PI).
- 2007-09 Member, Practice Advisory Council, Office of Public Health Practice, School of Public Health.
- 2007-pr Primary Faculty Mentor, Cancer Biostatistics Training Grant (T-32 training grant from NIH; Jeremy Taylor, PI).
- 2008-10 Core faculty, University of Michigan Education and Research Center (T-42 grant from NIMH/CDC; Thomas Robins, PI).
- 2008-16 Member, Education & Mentoring Group Leadership Team, Michigan Institute for Clinical and Health Research (MICHR).
- 2008-13 Member, Biostatistics/Design Core, Michigan Institute for Clinical and Health Research (MICHR).
- 2008-10 Member, Doctoral Committee, Department of Epidemiology, School of Public Health. Committee Chair, 2009-10.
- 2009 Member, Planning and Coordinating Committee, Bone & Joint Injury Prevention & Rehabilitation Center.
- 2009-11 Member, Bone & Joint Injury Prevention & Rehabilitation Center.
- 2009-12 Member, Advisory Committee on Academic Rank, School of Public Health.
- 2009-10 Graduate Program Chair, Department of Epidemiology, School of Public Health and Rackham Graduate School.

- 2009-10 Member, Search Committee for an assistant professor (specializing in musculoskeletal epidemiology) in the Department of Orthopaedic Surgery.
- 2009-10 Member, Search Committee for the Director of the Bone & Joint Injury Prevention and Rehabilitation Center.
- 2010-14 Collaborator, Arthroplasty group, Department of Orthopaedic Surgery, School of Medicine.
- 2010-12 Member, Accreditation Committee, School of Public Health.
- 2011-14 Member, Continuing and Professional Education Advisory Council (CPEAC), Office of the Provost.
- 2012-13 Member, Strategic Assessment Committee, School of Public Health.
- 2012-15 Member, Ph.D. Review Task Force, Department of Epidemiology, School of Public Health.
- 2013-pr Member, University of Michigan Injury Center.
- 2013-pr Member, Doctoral Committee, Department of Epidemiology.
- 2016-pr Member, Initial Steering Committee, Graduate Certificate Program in Healthy Cities, University of Michigan.

CONSULTING & SERVICE

- 1974 North Carolina Chiropractic Association, Raleigh, North Carolina. Conducted survey of practicing chiropractors in North Carolina.
- 1975 National Chiropractic Center for Health Planning, Washington, DC.
- 1979-81 National Institute of Child Health and Human Development. Data Analysis and Methodology Advisory Committee of the Cooperative Epidemiologic Study of Sudden Infant Death Syndrome (SIDS) Risk Factors.
- 1980-90 Department of Neurology, Albert Einstein College of Medicine. Epidemiologic Study of the Risk Factors for Senile Dementia (The Bronx Aging Study).
- 1983-84 National Institute of Mental Health. Epidemiologic Catchment Area (ECA) Program.
- 1984-86 Division of Rheumatology and Immunology, Department of Medicine, Vanderbilt University. Epidemiologic studies of rheumatoid arthritis.
- 1985-93 Department of Psychiatry, Yale University School of Medicine. Epidemiologic studies of tardive dyskinesia.
- 1985 National Institutes of Health, Division of Research Grants. Special Study Section on the Bioeffects of Ultrasound.
- 1985-87 Department of Obstetrics and Gynecology, Yale University School of Medicine. The Yale Mid-life Study (Sensory function in the climacteric).

- 1986-87 Department of Physics, University of Pittsburgh. Research project on the effect of indoor radon exposure on lung cancer.
- 1987 Faculty participant in the Student Workshop on Epidemiologic Methods, sponsored by the Society for Epidemiologic Research and the National Cancer Institute.
- 1987 Los Angeles Homeless Health Care Project. Epidemiologic study of tuberculosis among the homeless in skid row.
- 1987-89 The RAND Corporation. Study of the quality of medical care delivered to AIDS patients in Southern California.
- 1988-91 California Department of Health Services. Special Advisory Committee on Childhood Cancer in McFarland, California.
- 1988-03 Robert Wood Johnson Clinical Scholars Program, School of Medicine, University of California, Los Angeles. Research advisor and member of the Research Advisory Committee and Selection Committee.
- 1989 Centers for Disease Control, Injury Prevention Research Grant Program. Injury Research Grant Review Committee.
- 1989-92 Public Policy and Research Organization, University of California, Irvine. Epidemiologic study of injuries in Hispanic children.
- 1990-91 Health Effects Institute, Environmental Epidemiology Planning Project. Member of the Working Group on Epidemiologic Methods.
- 1991-92 Doheny Eye Institute and Jules Stein Eye Institute, Los Angeles, CA. Instructor, Annual training program in Practical Epidemiology and Biostatistics for Ophthalmologists.
- 1992-98 Dalkon Shield Claimants Trust. Consultant to Tilly and Graves, Denver, Colorado.
- 1992-94 Department of Pediatrics, King/Drew Medical Center. Planning program to prevent mild mental retardation among high-risk infants in South-central Los Angeles.
- 1992-00 Consortial Center for Chiropractic Research. Member of the Scientific Review Team.
- 1992 National Academy of Sciences, National Research Council, Commission on Behavioral and Social Sciences and Education, Panel on Research on Child Abuse and Neglect. Prepared a background paper on child abuse and neglect.
- 1992 Sexually Transmitted Disease Program, Los Angeles County Department of Health Services. Epidemiologic studies of STD reporting, chlamydia prevalence, and STD morbidity in Los Angeles County.
- 1993 National Academy of Sciences, National Research Council, Commission on Behavioral and Social Sciences and Education, Panel on Research on Child Abuse and Neglect. Research symposium on child abuse and neglect, July 13, 1993.
- 1993 Foundation for American Communications. Lectured on epidemiology for journalists at two conferences on environmental health risks.

- 1994-03 Foundation for Chiropractic Education and Research. Review research grant applications for the Awards and Grants Program.
- 1995-97 University of Texas Medical Branch (Galveston), Department of Preventive and Community Medicine. Epidemiologic study of mortality among female nuclear weapons workers.
- 1995 U.S. Department of Defense, Environmental and Life Sciences, Research and Engineering. Member of the Science Advisory Panel for Epidemiologic Studies of Gulf War Veterans, conducted by the Naval Health Research Center, Division of Clinical Epidemiology, San Diego, California.
- 1995 Presidential Advisory Committee on Gulf War Veterans' Illnesses. Spoke to the Committee about the epidemiologic studies being conducted by the Naval Health Research Center, San Francisco, CA, November 8, 1995.
- 1995-96 Institute of Medicine, National Academy of Sciences. Member of the Committee on Military Nursing Research.
- 1995-08 Medical Legal Consultants of Washington, Bellevue, WA. Expert consultation and testimony on the effect of metoclopramide on the risk of tardive dyskinesia.
- 1996-98 Eli Lilly and Company, Lilly Research Laboratories. Analyses to assess the effect of olanzapine use on the risk of tardive dyskinesia.
- 1996-98 University of California, San Diego Medical Center, Department of Medicine. Epidemiologic study of neutropenia and clinical bacteremia in HIV-infected patients.
- 1997-03 Case Western Reserve University, School of Medicine, Department of Epidemiology and Biostatistics. Community-based HIV intervention trial for Latinas.
- 1998-00 AstraZeneca, Zeneca Inc. Analyses to assess the effect of Seroquel (quetiapine fumarate) on the risk of tardive dyskinesia.
- 1998-02 California Department of Health Services and the Public Health Institute, Electric and Magnetic Fields Program. Member of the Science Advisory Panel.
- 1999-04 Case Western Reserve University, School of Medicine, Department of Epidemiology and Biostatistics. Study to assess the impact of immigration and welfare-reform legislation on immigrants' ability to access health care in San Diego County.
- 1999-08 The Bone & Joint Decade 2000-2010 Task Force on Neck Pain and Its Associated Disorders. Member of the Advisory Council.
- 1999-03 Charles R. Drew University of Medicine & Science, Research Center in Minority Institutions (RCMI). Assist in development of research infrastructure and projects.
- 2000-01 University of Notre Dame, Inter-University Program on Latino Research. An evaluation of the National Youth Sports Program.
- 2000-01 Foley, Bezek & Komoroske, LLP, Trial lawyers. Expert consultation and evaluation of reports linking exposure to industrial solvents with cancer mortality.

- 2000-02 Los Angeles Unified School District, Student Health and Human Services. Assessing the impact of lead exposure in the schools on blood-lead levels among school children in Los Angeles.
- 2001-02 Zynx Health, Inc., Subsidiary of Cedars-Sinai Health System, Beverly Hills, CA. Assessing the impact of high-density lipoprotein cholesterol (HDL-C) and lipid-based treatments on the risk of cardiovascular disease.
- 2001-03 Centers for Disease Control and Prevention, National Center for Chronic Disease, Division of Reproductive Health. Explaining time trends in preterm delivery and low birth weight in African Americans.
- 2003 Berlex Laboratories. Comparing the effects of different hormone-replacement therapies on the occurrence of venous thromboembolism and other rare health events among peri- and postmenopausal women in the U.S.
- 2003-pr Associated Schools of Public Health. Member of the Biostatistics and Epidemiology Council.
- 2004-08 Centers for Disease Control and Prevention and the Council of State and Territorial Epidemiologists. Member of the Expert Panel to develop a set of core competencies in applied epidemiology for public health.
- 2005-pr Case Western Reserve University School of Medicine, Center for Minority Health. Member of the International Advisory Board.
- 2005-08 Martin & Jones Trial Lawyers, Raleigh, NC. Expert consultation and testimony on the effect of metoclopramide on the risk of tardive dyskinesia.
- 2005 Temple University. Member of the external review team for the Department of Public Health.
- 2005-08 Levy Phillips & Konigsberg LLP, New York, NY. Expert consultation and testimony on the effects of exposure to environmental tobacco smoke on the risk of head and neck cancers.
- 2005 National Institutes of Health, National Institute of Dental and Craniofacial Research. Member of Special Emphasis Panel to review applications on “Prospective studies on craniofacial pain and dysfunction” (RFA DE-05-007).
- 2006 Centers for Disease Control and Prevention. CDC Workshop: Estimating the Health Burden of Overweight and Obesity. Atlanta, GA, May 17-18, 2006.
- 2006-08 Mothers for Retinoblastoma Awareness in collaboration with California State Senator Sheila Kuehl’s office. Incidence of retinoblastoma in the West Valley of Ventura and Los Angeles Counties. Simi Valley, CA.
- 2006-pr International Health and Neck Cancer Epidemiology Consortium (INHANCE), International Agency for Cancer Research (IARC). Collaborator on pooled analyses of epidemiologic studies of head and neck cancers.
- 2008-pr Arbor Research Collaborative for Health. Collaborator/consultant on the International Dialysis Outcomes and Practice Patterns Study (DOPPS).
- 2010-pr International Lung Cancer Consortium (ILCCO), International Agency for Cancer Research (IARC). Collaborator on pooled analyses of epidemiologic studies of lung cancer.

- 2010-11 Martzell & Bickford, New Orleans, LA. Expert consultation and testimony on the effect of metoclopramide on the risk of tardive dyskinesia.
- 2011-12 McGlynn Glisson & Mouton, Baton Rouge, LA. Expert consultation and testimony on the effect of metoclopramide on the risk of tardive dyskinesia.
- 2012-13 St. Joseph Mercy Hospital, Ypsilanti, MI. Consultation on clinical research.
- 2012 Department of Epidemiology, College of Public Health, University of Nebraska Medical Center. Consulted on the teaching of epidemiologic methods to graduate students in Public Health.

GRANTS & CONTRACTS (1980 to Present)

- 1980-84 Program Director. Epidemiology/Health Services Training Program, Yale Department of Epidemiology and Public Health. Public Health Service.
- 1981-84 Principal Investigator. The Impact of Social Stressors and Social Networks on Medical Care Utilization in a Pediatric Population, Yale Institution for Social and Policy Studies. W.T. Grant Foundation.
- 1982-84 Principal Investigator. A Retrospective Follow-up Study of Patients with Tardive Dyskinesia, Yale Department of Epidemiology and Public Health. Biomedical Research Support Grant, Public Health Service.
- 1985-95 Co-Principal Investigator and Consultant. Epidemiologic Studies of Tardive Dyskinesia, Yale Department of Psychiatry. National Institute of Mental Health.
- 1987-88 Co-Principal Investigator. Health Insurance Coverage Changes in Employment and Public Policy Alternatives. California Policy Seminar.
- 1987-88 Co-Investigator. Monitoring the Quality of Care in Capitated Systems of Care. John A. Hartford Foundation.
- 1987-90 Co-Principal Investigator. Sequelae of Mild Brain Injury in Children. Centers for Disease Control.
- 1987-99 Co-Investigator. The Natural History of AIDS in Homosexual Men: Neuropsychological and Health-Care Substudies. National Institute of Allergy and Infectious Diseases, NIH.
- 1989 Co-Principal Investigator. Californians' Health Insurance Coverage: Research for Public Policy Making and Planning. Kaiser Permanente.
- 1989-90 Co-Principal Investigator. Californians' Health Insurance Coverage: Research for Public Policy Making and Planning. California Community Foundation.
- 1989-90 Co-Principal Investigator. Californians' Health Insurance Coverage: Research for Public Policy Making and Planning. California Department of Health Services.
- 1989-91 Co-Principal Investigator. Californians' Health Insurance Coverage: Research for Public Policy Making and Planning. Irvine Foundation.

- 1989-94 Co-Investigator and Member of the Advisory Committee. Research Training on Service Systems for Persons with AIDS. National Institute of Mental Health.
- 1989-92 Co-Principal Investigator. Neurobehavioral Sequelae of Mild Brain Injury in Children. National Institute of Communicative Diseases and Stroke, NIH.
- 1989-90 Co-Principal Investigator. Sexually Transmitted Diseases and Legalized Prostitution in Nevada. Nevada Brothel Association.
- 1989-92 Co-Investigator and Executive Committee Member. Southern California Injury Prevention Research Center. Centers for Disease Control.
- 1989-00 Program Faculty and Advisory Committee Member. AIDS Research Training Program. National Institute of Mental Health.
- 1989-95 Co-Investigator. Improving the Appropriateness of Medication Prescribing in Nursing Homes. The John A. Hartford Foundation.
- 1990-93 Sponsor for Junior Faculty. Geriatric Academic Program Award. National Institute of Aging, NIH.
- 1990-93 Principal Investigator. Occupational Epidemiology of Carpal Tunnel Syndrome. National Institute of Occupational Safety and Health, Centers for Disease Control.
- 1990-93 Co-Investigator. Epidemiology of Injuries in Hispanic Children. National Institute of Child Health and Human Development, NIH.
- 1990-91 Co-Principal Investigator. California's Health Insurance Coverage: Research for Public Policy Making and Planning. Robert Wood Johnson Foundation.
- 1991-92 Co-Investigator. An IDEA for a Cohort Study of Tobacco-related Cancers. University of California Tobacco Related Disease Research Program.
- 1991-94 Co-Investigator. Neurobehavioral Factors in Black Males at Risk for AIDS Infection. National Institute of Drug Abuse, NIH.
- 1991-94 Co-Investigator. Workplace Assault-related Injuries: Incidence and Risk. National Institute of Occupational Safety and Health, Centers for Disease Control.
- 1991-94 Co-Investigator. Randomized Trial of Post-discharge Geriatric Assessment. National Institute of Aging, NIH.
- 1991-03 Program Faculty Member. UCLA Cancer Epidemiology Training Program. National Cancer Institute, NIH.
- 1992-97 Co-Investigator. UCLA Head Injury Research Center. National Institute of Neurological Disorders and Stroke, NIH.
- 1992-93 Co-Principal Investigator. Health Insurance Coverage, Health Status and Use of Health Services in California. The Henry J. Kaiser Family Foundation.
- 1992-04 Core Faculty and Admissions Committee Member. UCLA/RAND Health Services Research Training Program. Agency for Healthcare Research and Quality (formerly AHCPR).

- 1992-94 Co-Principal Investigator. Development of Health Risk Appraisal for Older Americans, Phase I. The John A. Hartford Foundation.
- 1993-98 Program Faculty and Research Advisory Committee Member. Training Physician Researchers in Primary Care. Health Research Service Administration, NIH.
- 1993-98 Key Faculty. Training Program in the Epidemiology of Drug Use and HIV/AIDS. National Institute of Drug Abuse, NIH.
- 1993-95 Principal Investigator. Improving the Appropriateness of Medication Prescribing in Nursing Homes. The John A. Hartford Foundation.
- 1993-03 Faculty. AIDS International Training and Research Program. Fogarty International Center, NIH.
- 1993-99 Principal Investigator. Epidemiologic Study to Determine Possible Adverse Effects to Rocketdyne/Atomics International Workers From Exposures to Ionizing Radiation and Chemicals. Department of Energy (subcontract with Public Health Institute).
- 1993-94 Co-Principal Investigator. Ergonomic Risk Assessment Tool for Assembly Operations. California Department of Industrial Relations, Occupational Safety and Health.
- 1993-95 Co-Principal Investigator. Ergonomic Risk Assessment of Maquiladora Assembly Operations. The US-Mexico Foundation for Science.
- 1994-98 Co-Investigator. Neurobehavioral Sequelae of Children with Mild Brain Injury. National Institute of Neurological Disorders and Stroke, NIH.
- 1994-96 Co-Principal Investigator. Development of a Health Risk Appraisal for Older Persons, Phase II. John A. Hartford Foundation.
- 1994-96 Co-Principal Investigator. Development of a Health Risk Appraisal for Older Persons, Phase II. California Wellness Foundation.
- 1994-96 Co-Principal Investigator. Development of a Health Risk Appraisal for Older Persons, Phase II. Health Care Financing Administration, DHHS
- 1994-96 Principal Investigator. Explaining the Effect of Advanced Maternal Age on the Risk of Cesarean Section. Maxicare Research and Educational Foundation.
- 1995-02 Principal Investigator. Chiropractic Versus Medical Care for Low-back Pain. Agency for Healthcare Research and Quality (formerly AHCPR).
- 1995-04 Principal Investigator. Chiropractic Versus Medical Care for Low-back Pain (supplement to AHRQ-funded study; see above). Southern California University of Health Sciences.
- 1995-00 Co-Investigator. Access to Care for Homeless Women of Reproductive Age. Agency for Healthcare Research and Quality (formerly AHCPR).
- 1995-03 Key Faculty. Interdisciplinary Training in HIV/AIDS Epidemiology. National Institute of Allergy and Infectious Diseases, NIH.

- 1995-98 Co-Investigator. Hazard Surveillance in the Defense Nuclear Industry. National Institute of Occupational Safety and Health, CDC.
- 1995-98 Associate Director. UCLA-Mexico Collaborative Training and Research Program in Occupational and Environmental Health. Fogarty International Center, NIH.
- 1996-99 Principal Investigator. Childhood Drowning and Residential Pool Barrier Fencing in Los Angeles County, 1990-95. Southern California Injury Prevention Research Center, UCLA School of Public Health.
- 1996-03 Director of Epidemiology. UCLA General Clinical Research Center (M01). National Center for Research Resources, NIH.
- 1997-03 Principal Investigator (primary grantee is Southern California University of Health Sciences). Spinal Manipulation Versus Mobilization for Neck Pain (Chiropractic Demonstration Project). Health Resources and Services Administration, DHHS.
- 1997-02 Principal Investigator (primary grantee is Southern California University of Health Sciences). Common Symptoms Associated with Chiropractic Treatment for Neck Pain (supplement to HRSA-funded study; see above). National Chiropractic Mutual Insurance Company.
- 1999-05 Principal Investigator. Marijuana Use and the Risks of Lung and Other Cancers (R01). National Institute on Drug Abuse, NIH.
- 2000-05 Mentor (to EL Hurwitz) and Co-Investigator. Psychosocial, Behavioral and Immune Factors in Back Pain (K23). National Center for Complementary and Alternative Medicine, NIH.
- 2000-04 Co-Principal Investigator. Extended Follow-up of the Rocketdyne Worker Cohorts. California Cancer Research Program.
- 2000-05 Co-Mentor (to M Lara) and Co-Investigator. Improving Outcomes in U.S. Latino Children with Asthma (K08). Agency for Healthcare Research and Quality.
- 2001-06 Principal Investigator. Epidemiologic Component of the Santa Susana Rocketdyne Facility Community Study. Agency for Toxic Substances and Disease Registry, CDC (subcontract with Eastern Research Group, Inc).
- 2001-06 Co-Investigator. Molecular Epidemiology of Lung Cancer (P50, part of UCLA SPORE grant). National Cancer Institute, NIH.
- 2001-05 Co-Investigator. Hepatitis B and C Among Homeless Adults (R01). National Institute on Drug Abuse, NIH.
- 2001-04 Co-Principal Investigator. Recognizing Health Effects in Policy Development: Health Impact Statements. Robert Wood Johnson Foundation.
- 2001-03 Co-Investigator. Urologic Diseases in America (N01). National Institute of Diabetes and Digestive and Kidney Diseases, NIH.
- 2001-03 Co-Investigator. Organizational Factors in the Early Detection of HIV (R01). National Institute of Mental Health, NIH.

- 2001-03 Co-Principal Investigator. California Health Interview Survey–Complementary and Alternative Medicine (CHIS–CAM) (N02). National Cancer Institute, NIH.
- 2001-05 Co-Principal Investigator. Developing a Health Forecasting Model for California: An Effective Strategy to Promote Health in the 21st Century. The California Endowment.
- 2005-06 Co-Investigator. The Predictive Capability of Obesity for Barrett’s Esophagus. GlaxoSmithKline Institute of Digestive Health.
- 2005-pr Advisory Committee Member and Director of the MS Degree Program in Clinical Research in the Department of Epidemiology. Multidisciplinary Clinical Researchers in Training (MCRiT) Program (T32). NIH.
- 2006 Mentor (to J Beebe-Dimmer). Measures of Body Composition and Serum Prostate-Specific Antigen Among Men Without a History of Prostate Cancer. University of Michigan Prostate SPORE.
- 2006-11 Co-Investigator and Mentor. Cancer Epidemiology Education in Special Populations (R25). National Cancer Institute, NIH.
- 2007-10 Co-Mentor (to J Rubenstein). Epidemiology of Adipokines in Barrett’s Esophagus (Clinical Investigator Award). Damon Runyon Cancer Research Foundation.
- 2007-17 Co-Investigator. Michigan Institute for Clinical and Health Research (Clinical and Translational Science Award), Biostatistics/Design and Education/Mentoring Cores (UL1). National Center for Research Resources, NIH.
- 2007-12 Co-Mentor (to J Rubenstein). The Epidemiology of Adipokines in Barrett’s Esophagus (K23). National Institute of Diabetes and Digestive and Kidney Diseases, NIH.
- 2007-08 Co-Investigator. International Dialysis Outcomes and Practice Patterns Study (DOPPS). Arbor Research Collaborative for Health/Amgen.
- 2008-pr Collaborator/Consultant. International Dialysis Outcomes and Practice Patterns Study (DOPPS). Arbor Research Collaborative for Health.
- 2008-13 Co-Investigator and Co-Mentor. Genetic Susceptibility to Cancers of the Prostate and Urinary Bladder (K07). National Cancer Institute, NIH.
- 2008-13 Co-Director, Occupational and Environmental Epidemiology Core. University of Michigan Education and Research Center (ERC) (T42). National Institute of Occupational Safety and Health, Centers for Disease Control and Prevention.
- 2009-10 Co-Investigator. Risk of cataracts and fractures associated with androgen deprivation therapy among elderly prostate cancer patients in the United States: A population-based retrospective cohort study using data from the SEER-Medicare Database (1996-2005). Karmanos Cancer Institute/Amgen.
- 2009-11 Co-Investigator. Marginal structural modeling: Towards recovering causal estimates of neighborhood poverty on mortality risk (R21). National Center on Minority Health and Health Disparities, NIH.

- 2009-11 Principal Investigator. Systematic review of interventions designed to prevent anterior cruciate ligament (ACL) injuries in adolescents and adults. University of Michigan Bone & Joint Injury Prevention & Rehabilitation Center.
- 2010-13 Co-Investigator. Development of guidelines for investigating heterogeneity in systematic reviews (R21). National Library of Medicine, NIH.
- 2010-12 Co-Investigator. Longitudinal C-reactive protein levels and outcomes in hemodialysis patients. National Institute of Diabetes and Digestive and Kidney Diseases (F32), NIH.
- 2011-14 Co-Investigator/Lead Epidemiologist. Michigan Arthroplasty Registry Collaborative for Quality Improvement (MARCQI). Blue Cross Blue Shield of Michigan.
- 2011-16 Co-Investigator. Establishing a Surveillance System for Chronic Kidney Disease. Centers for Disease Control and Prevention.
- 2012-16 Co-Investigator. Developing a Comprehensive National Kidney Registry for the Department of Veterans Affairs. U.S. Department of Veterans Affairs.
- 2013-14 Co-Investigator. Core Outcome Measures for Rotator Cuff Disorders. University of Michigan MCubed Program.
- 2014-19 Co-Investigator. United States Renal Data System Coordinating Center. National Institute of Diabetes and Digestive and Kidney Diseases, NIH.
- 2014-16 Co-Investigator. Population Health Measures: Assessment and Design. Centers for Medicare and Medicaid, DHHS (sub to Arbor Research Collaborative for Health).
